

TI-83/84 for Statistics Workshop

Need help using your TI-83/84 Calculator in your Statistics class?

Students who attend the TI-83/84 for Statistics Workshop feel more comfortable completing their statistics assignments using their TI-83/84 calculator.

During this workshop students will....

- Discuss the fundamentals of the TI-83/84 calculator
- Learn how to complete statistical functions using the TI-83/84 calculator including:
 - Descriptive statistics, binomial probabilities, normal probabilities, inverse functions, confidence intervals, hypothesis testing, and linear regressions

Upcoming Workshops

ONLINE
Tuesday, May 8th
7:00 pm - 8:30 pm
