Your financial aid application cannot be processed because your Selective Service registration could not be confirmed. Additional information is needed to confirm your Selective Service registration status. Please checkmark the section that describes your registration status and follow the instructions listed below

*Men 18-25 are required to register with the Selective Service System. This requirement covers men residing in the U.S. who are U.S. citizens or noncitizens (lawful non-immigrants are not required to register if they maintain that status). Students who are required to register with the Selective Service must do so to be eligible for FSA funds. For information on who is REQUIRED to register with Selective Service, please visit www.sss.gov/fswwho.htm.

Yes, I did register

Please check and submit a copy of one of the below documents. Include your name and Student ID Number on the top right hand corner of the copies you submit to us.

- A copy of your **Selective Service Registration Card** (the Selective Service System Regist form is NOT considered acceptable registration proof); or
- A printout of your **Selective Service Registration Acknowledgement** (you receive this after online registration with Selective Service) at www.sss.gov; or
- A copy of your **DD214 (Member Request Copy 4)** "Certificate of Release or Discharge from Active Duty" – showing military service other than the Reserves or National Guard if you failed to register before age 26. If you do not have a DD214, contact the VA at 1.800.827.1000.

No, I did not register for one of the following reasons

Please check the reason below that you are/were Exempt from registering with Selective Service.

- I am a female
- I am on active duty in the armed forces
- I have not reached my 18th birthday
- I was born before 1960
- I am a resident of the Federated States of Micronesia or the Marshall Islands, or a permanent resident of the Trust Territory of the Pacific Islands (Palau)

- I WAS A U.S. CITIZEN** when I was between the ages of 18 – 26 and did not register before my 26th birthday. **I have attached BOTH of the following to this document:**

- A copy of my **Selective Service Status Information Letter**. Visit <http://www.sss.gov/instructions.html> for additional information about this letter or call (847) 688-6888; **AND**
- A **personal statement** explaining why you failed to register with Selective Service upon reaching age 18 and before reaching age 26

You should provide as much information as possible. We will use the information you provide to determine your registration status.

- NON CITIZEN / ALIEN:**

- If you entered the United States for the first time after your 26th birthday, you must provide documentation to support your claim. Valid documentation includes: entry stamp in your passport, I-94 with entry stamp on it, or a letter from the U.S. Citizenship and Immigration Service (USCIS) indicating the date you entered the United States. If you entered the United States illegally after your 26th birthday, you must provide proof that you were not living in the United States from age 18 to age 26. Please note: your Resident Alien Card (Green Card) is not valid as proof of entry to the United States.
- If you entered the United States as a valid non-immigrant alien, and remained in that status to your 26th birthday, you must provide documentation to support your claim. For example, if you entered the United States as an F-1 Student, and remained in that status until your 26th birthday, you would need to provide documentation indicating that you were admitted on an F-1 visa and attended school full-time as required. (Acceptable documents for this situation include copies of your I-20s or a letter from the school you attended indicating your full time attendance as a non-immigrant alien). The same thing applies for all non-immigrant statuses. You must explain, if at any point, you violated the terms of your visa, or overstayed your visa and became an undocumented alien.

You should provide as much information as possible. We will use the information you provide to determine your registration status.

- TRANSEXUAL:** For individuals who have had a sex change. You must attach documentation as to what gender you were born as.
