Am I eligible to join SHRM as a student member?

You are eligible for student membership provided that:

- You are a college student taking the equivalent of at least six (6) credit hours per term in a degree-seeking program.
- Your coursework, taken or planned, supports a demonstrated interest in the field of human resource management.

What is the difference between student and professional membership?

Professional membership is designed to meet the needs of people currently working in the HR field, while student membership is designed for individuals just exploring human resources and preparing to enter the profession. If you plan to use the membership to assist in your work as an HR practitioner, we recommend that you join as a regular (professional/associate) member to gain full access to all services and benefits. Contact SHRM at (800) 283-7476 or visit the web site (www.shrm.org) for more information on regular membership.

Can membership in SHRM help me find a job after graduation?

Yes. Job search books and placement studies all agree that 60%-70% of jobs are found through personal contacts or networking. Becoming part of SHRM gives you access to our network of more than 225,000 members and 430 student chapters nationwide. While SHRM does not offer formal placement assistance, we do offer the opportunity to meet and build relationships with the HR professionals who represent potential employers. Many of our student members have obtained entry-level jobs and internships that were never advertised to the public through the connections they made as active members of SHRM.

What is my chapter number?

Check with your student chapter advisor or a student chapter officer. A complete list of all student chapters and numbers is also posted on the SHRM student web site. Visit www.shrm.org/shrm-chapters/ to locate your chapter number.

What if no student chapter exists at my school?

If no chapter exists on your campus, write "5000" in the chapter number space and obtain the signature of your academic advisor or other school official who can verify your student status. For more information on starting a student chapter at your school, visit www.shrm.org/students or contact SHRM at 1-800-283-7476.

Application Procedure
