## LEARN WHY IT JOBS ARE IN-DEMAND!

**Columbus, Ohio** —Bits, Bytes & Bucks. Do you know *your* worth in the IT industry? Discover who's getting paid what, and where IT job and salary trends are heading this year. Franklin University's Computer and Information Sciences Program is pleased to present the "Tech Connect" speaker series. Featuring successful Information Technology (IT) professionals in non-traditional roles within the industry, the quarterly series is presented to computer science students and community members.

The quarterly IT series will host its first event on **Friday, May 11, 2007 from 5:30 - 7:30 p.m.** with featured speaker **Chris Ferguson**, Division Director for the Columbus Branch of Robert Half Technology.

The "Tech Connect" series is just one more example of Franklin's innovative approach toward serving both its students and creating value-added benefits for the community.

So mark your calendars and join us for an exciting look at a different side of IT. Admission is free and is open to all interested members of the community. Light refreshments available. No need to pre-register. Walk-ins welcome!

Franklin University is the quality educational leader among undergraduate accounting programs. Franklin's professional work experienced accounting faculty assists students in developing the skills necessary for success in the accounting profession. Students gain a strong hands-on understanding of the technical accounting principles and develop the necessary skills of research, analysis and communication of accounting concepts, statements, pronouncements, tax authorities and laws as well as accounting ethics and professional responsibility. Franklin's accounting major provides the foundation that is both current and relevant for success in today's accounting profession.
