

COMP 281 Study Guide for FUPE

Format:

The exam consists of 7 questions for 100 points. It is two hours in length and closed book, notes, calculator, etc. For those students where English is a second language, a translation dictionary may be used. The questions are short answer, definitions, skill demonstration and comparison and contrast. No true/false and no multiple choice questions.

Topics:

The exam is based on the course outcomes for COMP 281 from the face to face syllabus at <http://www.franklin.edu/servlets/ShowAvailableSyllabiServlet?dept=comp&num=281>

The multimedia piece at <http://video.franklin.edu/Franklin/COMP/281/erd.html> explains the approach taken to Entity-Relationship Diagramming, which is a major outcome of COMP 281.
