About the Transfer Guide...

The Transfer Guide is provided for potential transfer students to illustrate the overall transferability of a specific degree program at Columbus State Community College (CSCC) to a baccalaureate program at Franklin University. The Transfer Guide is not an official Franklin University transfer credit evaluation. This guide lists transfer equivalencies from the CSCC associate degree in Accounting and the remaining coursework required to complete a Bachelor of Science in Financial Management at Franklin University. CSCC coursework is based on the 2006–2007 Catalog. Franklin University coursework is based on the 2006–2007 Franklin University *Academic Bulletin*. Transfer credit is awarded in semester hours. Quarter hours convert to semester hours on a 1:2/3 ratio (1 quarter hour = .67 semester hours). Equivalencies listed as a “Special Elective” or “University Elective” are applied toward degree requirements as appropriate. Transfer credit is awarded for CSCC courses with a grade of C- or higher, including grades of “Pass” and examination credit. Courses completed with a grade of D, when included as part of an associate degree for which a student obtained a GPA of 2.0 or higher, will be accepted in transfer, subject to GPA and course requirements pertaining to the specific major program. Franklin University course equivalencies numbered below 100 and equivalencies listed as “Developmental” do not apply toward degree requirements. Your actual transfer credit may vary depending on several factors, including your choice of electives and coursework completed outside the program of study listed in this guide. Consult a Franklin University Student Services Associate (SSA), to verify how transfer credit may be applied to a specific degree program. Call 614.797.4700 or toll-free 1.877.341.6300 to schedule an appointment with a Franklin University SSA.
