

Accounting - Forensic Accounting BS Degree Completion Transfer Guide

124 Semester Credit Hours
Effective Fall 2008 - Summer 2009

Step 1, Complete your Associate degree at Columbus State Community College

Step 2, Complete additional coursework at Columbus State

Step 3, Complete your last 40 semester hours with Franklin University

By completing your Associate degree in Accounting, you have already fulfilled a number of the degree requirements for your Bachelor degree in Forensic Accounting. Below you will find the remaining classes needed to fulfill the Bachelor degree requirements. **Decide what 40 hours you will take at Franklin to determine what additional coursework you can take at CSCC.**
