

# HIMT - Healthcare Information Systems Management BS Degree Completion Transfer Guide

124 Semester Credit Hours  
Effective Fall 2008 - Summer 2009

---

## Step 1, Complete your Associate degree at Columbus State Community College

---

---

## Step 2, Complete additional coursework at Columbus State

---

---

## Step 3, Complete your last 40 semester hours with Franklin University

---

By completing your Associate degree in HIMT, you have already fulfilled a number of the degree requirements for your Bachelor degree in Healthcare Management. Below you will find the remaining classes needed to fulfill the Bachelor degree requirements. **Decide what 40 hours you will take at Franklin to determine what additional coursework you can take at CSCC.**
