

# Franklin University - M.S. Cybersecurity 2021-2024

## Course Sequence Calendar

Fall 2021													Spring 2022													Summer 2022																									
8/16	8/23	8/30	9/6	9/13	9/20	9/27	10/4	10/11	10/18	10/25	11/1	11/8	11/15	11/22	11/29	12/6	12/13	12/20	12/27	1/3	1/10	1/17	1/24	1/31	2/7	2/14	2/21	2/28	3/7	3/14	3/21	3/28	4/4	4/11	4/18	4/25	5/2	5/9	5/16	5/23	5/30	6/6	6/13	6/20	6/27	7/4	7/11	7/18	7/25	8/1	8/8
ISEC 670 Ethical Hacking											ISEC 680 Info.Security Policy & Governance		ISEC 660 Cybercrime, Ethics, and Privacy													ISEC 690 Capstone																									
ISEC 630 Information Risk Management				ISEC 640 Cryptography									ISEC 680 Info.Security Policy & Governance																																						
ISEC 630 Information Risk Management				ISEC 640 Cryptography									ISEC 660 Cybercrime, Ethics, and Privacy				ISEC 650 Advanced Network Security									ISEC 670 Ethical Hacking																									
ITEC 504 – Foundations of Networks and Systems													ISEC 630 Information Risk Management				ISEC 680 Info.Security Policy & Governance									ISEC 690 Capstone																									
ISEC 610 Information Assurance													ISEC 640 Cryptography													ISEC 620 Software and App Security																									
MATH 503 Foundations of Mathematics for Computing													ISEC 650 Advanced Network Security													ISEC 670 Ethical Hacking																									
COMP 501 Foundations of Programming													ISEC 610 Information Assurance									ITEC 504 – Foundations of Networks and Systems				ISEC 620 Software and App Security									ISEC 620 Software and App Security																
													MATH 503 Foundations of Mathematics for Computing				ISEC 610 Information Assurance									ITEC 504 – Foundations of Networks and Systems				ISEC 650 Advanced Network Security									ISEC 650 Advanced Network Security												
													COMP 501 Foundations of Programming				MATH 503 Foundations of Mathematics for Computing									ITEC 504 – Foundations of Networks and Systems				ITEC 504 – Foundations of Networks and Systems									ITEC 504 – Foundations of Networks and Systems												
													ISEC 620 Software and App Security													MATH 503 Foundations of Mathematics for Computing				ISEC 610 Information Assurance									ISEC 610 Information Assurance												
																										COMP 501 Foundations of Programming				MATH 503 Foundations of Mathematics for Computing									MATH 503 Foundations of Mathematics for Computing												
																										COMP 501 Foundations of Programming				COMP 501 Foundations of Programming									COMP 501 Foundations of Programming												

Fall 2022													Spring 2023													Summer 2023																									
8/15	8/22	8/29	9/5	9/12	9/19	9/26	10/3	10/10	10/17	10/24	10/31	11/7	11/14	11/21	11/28	12/5	12/12	12/19	12/26	1/2	1/9	1/16	1/23	1/30	2/6	2/13	2/20	2/27	3/6	3/13	3/20	3/27	4/3	4/10	4/17	4/24	5/1	5/8	5/15	5/22	5/29	6/5	6/12	6/19	6/26	7/3	7/10	7/17	7/24	7/31	8/7
											ISEC 680 Info.Security Policy & Governance																																								
ISEC 660 Cybercrime, Ethics, and Privacy				ISEC 690 Capstone									ISEC 660 Cybercrime, Ethics, and Privacy													ISEC 690 Capstone																									
ISEC 640 Cryptography													ISEC 660 Cybercrime, Ethics, and Privacy				ISEC 650 Advanced Network Security									ISEC 670 Ethical Hacking																									
ISEC 630 Information Risk Management				ISEC 670 Ethical Hacking													ISEC 680 Info.Security Policy & Governance									ISEC 690 Capstone																									
ISEC 640 Cryptography													ISEC 660 Cybercrime, Ethics, and Privacy				ISEC 650 Advanced Network Security									ISEC 670 Ethical Hacking																									
ISEC 630 Information Risk Management				ISEC 620 Software and App Security													ISEC 680 Info.Security Policy & Governance									ISEC 690 Capstone																									
													ISEC 640 Cryptography													ISEC 630 Information Risk Management				ISEC 650 Advanced Network Security									ISEC 670 Ethical Hacking												
ISEC 610 Information Assurance													ISEC 610 Information Assurance													ITEC 504 – Foundations of Networks and Systems				ISEC 620 Software and App Security									ISEC 620 Software and App Security												
MATH 503 Foundations of Mathematics for Computing													ITEC 504 – Foundations of Networks and Systems				MATH 503 Foundations of Mathematics for Computing									ITEC 504 – Foundations of Networks and Systems				ISEC 650 Advanced Network Security									ISEC 650 Advanced Network Security												
COMP 501 Foundations of Programming													MATH 503 Foundations of Mathematics for Computing				COMP 501 Foundations of Programming									MATH 503 Foundations of Mathematics for Computing				ITEC 504 – Foundations of Networks and Systems									ITEC 504 – Foundations of Networks and Systems												
													COMP 501 Foundations of Programming													MATH 503 Foundations of Mathematics for Computing				ISEC 610 Information Assurance									ISEC 610 Information Assurance												
																										MATH 503 Foundations of Mathematics for Computing				MATH 503 Foundations of Mathematics for Computing									MATH 503 Foundations of Mathematics for Computing												
																										COMP 501 Foundations of Programming				COMP 501 Foundations of Programming									COMP 501 Foundations of Programming
