

Franklin University - Course Schedule

M.S. Computer Science-Data Analytics Focus 2025-2027

Fall 2025														BREAK (2)		Spring 2026														BREAK (1)		Summer 2026														BREAK (1)					
8/18	8/25	9/1	9/8	9/15	9/22	9/29	10/6	10/13	10/20	10/27	11/3	11/10	11/17	11/24	12/1	12/8	12/15	12/22	12/29	1/5	1/12	1/19	1/26	2/2	2/9	2/16	2/23	3/2	3/9	3/16	3/23	3/30	4/6	4/13	4/20	4/27	5/4	5/11	5/18	5/25	6/1	6/8	6/15	6/22	6/29	7/6	7/13	7/20	7/27	8/3	8/10
														BREAK (2)		MATH 601 Introduction to Analytics														BREAK (1)		COMP 630 Issues in Database Management														BREAK (1)					
COMP 501 Foundations of Programming																COMP 511 Found. Data Structures & Obj Orntd Design																COMP 611 Advanced Data Structures & Programming																			
MATH 503 Mathematics for Computing																MATH 503 Mathematics for Computing																COMP 511 Found. Data Structures & Obj Orntd Design																			
																COMP 501 Foundations of Programming																MATH 601 Introduction to Analytics																			
																																COMP 501 Foundations of Programming																			
																																MATH 503 Mathematics for Computing																			

Fall 2026														BREAK (2)		Spring 2027														BREAK (1)		Summer 2027														BREAK (1)					
8/17	8/24	8/31	9/7	9/14	9/21	9/28	10/5	10/12	10/19	10/26	11/2	11/9	11/16	11/23	11/30	12/7	12/14	12/21	12/28	1/4	1/11	1/18	1/25	2/1	2/8	2/15	2/22	3/1	3/8	3/15	3/22	3/29	4/5	4/12	4/19	4/26	5/3	5/10	5/17	5/24	5/31	6/7	6/14	6/21	6/28	7/5	7/12	7/19	7/26	8/2	8/9
COMP 620 Analysis on Algorithms														BREAK (2)		COMP 655 Distributed Systems														BREAK (1)		DATA 611 Applied Machine Learning														BREAK (1)					
COMP 671 Verification and Testing																DATA 605 Data Visualization and Reporting																COMP 691 Capstone																			
COMP 630 Issues in Database Management																COMP 620 Analysis on Algorithms																COMP 671 Verification and Testing																			
COMP 611 Adv Data Structures & Programming																COMP 655 Distributed Systems																DATA 605 Data Visualization and Reporting																			
MATH 601 Introduction to Analytics																COMP 630 Issues in Database Management																COMP 671 Verification and Testing																			
																COMP 611 Advanced Data Structures & Programming																COMP 620 Analysis on Algorithms																			
																MATH 601 Introduction to Analytics																COMP 611 Adv Data Structures & Programming																			
																COMP 511 Found. Data Structures & Obj Orntd Design																COMP 630 Issues in Database Management																			
																COMP 501 Foundations of Programming																COMP 511 Found. Data Structures & Obj Orntd Design																			
																MATH 503 Mathematics for Computing																MATH 601 Introduction to Analytics																			
																																COMP 501 Foundations of Programming																			
																																MATH 503 Mathematics for Computing
