- To receive the Federal Direct Parent PLUS Loan funds:
- 1. The parent borrower must submit this application, which is subject to credit approval.
 - 2. The parent borrower must complete the MPN with his/her information and, if signing electronically, sign the note with his/her uniquely assigned FSA ID (use the same FSA ID you used to sign the FAFSA). Only the borrower's information can be accepted on this form and on the MPN. The MPN can be found at <https://studentloans.gov/myDirectLoan/index.action>.
 - 3. If a credit check was initially denied and is now accepted due to an appeal or the addition of an endorser, the borrower is required to complete the PLUS Counseling available at the studentloans.gov site.

Credit Denial: In the event that the credit check is not passed, you will be notified in writing by the Federal Direct Loan Servicing Center. Borrowers have the right to appeal if they suspect an error in how credit worthiness was determined. You may also use an endorser (credit worthy co-signer). Call Direct Loan Servicing at 1.800.557.7394.

Please Note: In the case of a denial, the student will be considered for additional Federal Direct Unsubsidized Stafford loan funds (only available if the Direct PLUS Loan is denied to the parent due to an adverse credit check).

By checking this box, I understand that this form will serve as my authorization to perform the mandatory credit check for the Parent PLUS Loan.

Authorization: Your signature authorizes the U.S. Department of Education to initiate a credit check for the Parent PLUS Loan. You will be notified in writing of the results of the credit check. Your signature also authorizes Franklin to receive the loan proceeds electronically (EFT), which will be credited to the student's account.

If there is a credit balance as a result of these funds being applied to the trimester bill, I would like Franklin University to refund the balance to: Student Parent Borrower
